The products listed are considered ITAR or EAR controlled pursuant to 22 CFR Part 120/130 or 15 CFR Parts 730-774, respectively. Transfer of the products by any means to a non-US person, whether in the United States or abroad, a prohibited country, or for a prohibited end-use, without the proper U.S. Government authorization (e.g., License, exemption, NLR) is strictly prohibited. Reference the description for individual item classifications. Customer is responsible for obtaining any required export licenses or authorizations.

Krayden, Inc. terms and conditions apply to all orders and can be viewed at <http://krayden.com/terms-and-conditions>.

Certificate of Conformance: We certify that the materials furnished have been manufactured in accordance with applicable manufacturing specifications and conforms to the purchase order. Physical and chemical data pertaining to this order are available for inspection at the manufacturer.

This certificate is valid unsigned.

Storage Conditions:	

It is hereby certified that, at the time of manufacture, all materials herewith furnished were tested to the appropriate specification requirements - Loctite, military and/or customer.

The data contained herein are furnished for information only and are believed to be reliable. We cannot assume responsibility for the results obtained by others over whose methods we have no control. It is the user's responsibility to determine suitability for the user's purpose of any production methods mentioned herein and to adopt such precautions as may be advisable for the protection of property and of persons against any hazards that may be involved in the handling and use thereof. In light of the foregoing, Henkel Corporation specifically disclaims all warranties expressed or implied, including warranties of merchantability or fitness for a particular purpose, arising from sale or use of Henkel Corporation's products. Henkel Corporation specifically disclaims any liability for consequential or incidental damages of any kind, including lost profits. The discussion herein of various processes or compositions is not to be interpreted as representation that they are free from domination of patents owned by others or as a license under any Henkel Corporation patents that may cover such processes or compositions. We recommend that each prospective user test his proposed application before repetitive use, using this data as a guide. This product may be covered by one or more United States or foreign patents or patent applications.
